**IN THE NEWS:** Washington, D.C. (September 29, 2010)-International Christian Concern (ICC) has learned that on July 15 at 8 PM local time, 25 Muslims burned down 10 Christian homes, leaving 80 Christians homeless in Goda district of Jimma, Ethiopia. The attackers, who were led by a local government militia, also set fire to the Christians' barns, killing their animals and destroying their harvest. The police temporarily arrested the person who led the attack and a local official. But they were later released on bail. The Muslims have prevented the Christians from rebuilding their homes.
