

5 Things You Never Knew Your Cell Phone Could Do

This should be printed and kept in your car, purse, and wallet. Good information to have with you.

Emergency - Dial 112

The Emergency Number worldwide for Mobile is **112**. If you find yourself out of the coverage area of your mobile network and there is an Emergency, dial 112 and the mobile will search any existing network to establish the emergency number for you, and interestingly, this number 112 can be dialed even if the keypad is locked.

Locked Keys in Car

If you lock your keys in the car and **the spare keys are at home**, call someone at home on their cell phone from your cell phone. Hold your cell phone about a foot from your car door and have the person at your home press the unlock button, holding it near the mobile phone on their end. Your car will unlock. Distance is no object. You could be hundreds of miles away, and if you can reach someone who has the other 'remote' for your car, you can unlock the doors.

Hidden Battery Power

If your cell battery is very low, press the keys ***3370#**. Your cell phone will restart with this reserve and the instrument will show a 50% increase in battery. This reserve will get charged when you charge your cell phone next time.

How to disable a STOLEN mobile phone?

To check your Mobile phone's serial number, key in the following digits on your phone: ***#06#**. A 15-digit code will appear on the screen. This number is unique to your handset. Write it down and keep it somewhere safe. If your phone is stolen, you can phone your service provider and give them this code. They will then be able to block your handset so even if the thief changes the SIM card, your phone will be totally useless. - At least you know that whoever stole it can't use or sell it. If everybody does this, there would be no point in people stealing mobile phones.

Free Directory Service for Cells

Cell phone companies are charging \$1.00 to \$1.75 for 411 information calls. Simply dial: **(800) FREE411** or **(800) 373-3411**. Program this into your cell phone.
