NATIONAL DAY OF PRAYER

It is always the first Thursday in May. This year we want to challenge everyone to join this special service to pray for the many ills of our country. America needs prayer. We meet at 7 PM around the flag at the Wingdale Firehouse. Our Wednesday prayer group will meet on Thursday for this special week. Wake up America and pray for your country.

The National Day of Prayer is a vital part of America's heritage and is as relevant and critical today as it was at the first call by our Continental Congress in 1775. Established in public law by a joint resolution of Congress, and signed by President Truman in 1952. Later it was amended to designate the day under the 100th Congress and President Ronald Reagan in 1988, it states that:

“The President shall issue each year a proclamation designating the first Thursday in May as a National Day of Prayer on which the people of the United States may turn to God in prayer and meditation at churches, in groups and as individuals.”

America Needs Prayer! * America Needs you!
