We are working hard to get settled in and learning the bush area we are working in. --- **The Collins'**

We attend Spanish church and Spanish parties, and our minds are constantly looking for the right conjugation or vocabulary word. It is mentally exhausting but exciting as well. We are in the middle of finals here at language school. Thank you for praying.

**GOOD MOTHERLY ADVICE**

Our deep need to be assured that someone really understands us, to share our innermost feelings with another, is not silly. It is a yearning built into our natures by God at creation... it is essential, then, for us to know that we are not on our own as mothers without a divine hand to guide us or a source of wisdom to which to turn. The God who understands each of us completely as a person is ...the Master of every skill needed for godly motherhood. -**Barbara Bush**

**JR. CHURCH** - our staff person today is **Tammy Holmes**. Parents please use the balcony for infants & toddlers. We need workers in this ministry please see **Tammy Holmes** to help.
