- Hurricane Matthew caused major damage as it pummeled Haiti with torrential rains and 145-mph winds. The Caribbean nation, one of the world's poorest countries, is struggling to deal with yet another natural disaster. Samaritan's Purse is airlifting 20 tons of heavy-duty plastic sheeting, hygiene kits, and water filters aboard our DC-8 to help storm survivors. A Disaster Assistance Response Team will be onboard as well to join our field staff already on the ground. You can donate at <http://www.samaritanspurse.org>
