Report
The Collins

The Lord has been opening doors and new opportunities all around Zambia. We were invited to take a trip to Livingstone to teach on the doctrine of the Trinity at two locations. One event was located three hours into the bush where we camped and taught pastors for a few days. The other location was also into the bush about an hour. It was a great experience and encouragement to the people as they saw Zambians minister. We will be beginning furlough in November. We look forward to updating you on the ministry. ---Pray we can have the Collins family with us.
